

(PREMIER SUITE) Ground floor

This drawing should only be used for its original purpose. CADS accepts no responsibility for the accuracy of any information provided to any other party than the original client. Neither is responsibility accepted if the drawing or any part of it is reproduced or transmitted by electronic or other means without the prior written consent of CADS.

While every effort has been made to correctly identify species of trees on site, we advise that an arborist should be consulted before any tree work is done. Damage information has been visually inspected and measured from the surface, therefore should be treated as approximate only.

Please note: all dimensions to be checked on site by contractors prior to commencement of works.
