
(TRAFALGAR SUITE) Level -2

This drawing should only be used for its original purpose. CADS accepts no responsibility for this drawing if supplied to any other party than the original client. Neither is responsibility accepted if the drawing or any part of it is reproduced or transmitted by electronic or other means without the prior written consent of CADS.
Whilst every effort has been made to correctly identify species of trees on site, we advise that an arboriologist be consulted before any final decisions are made.
Drainage information has been visually inspected and measured from the surface, therefore should be treated as approximate only.

Please note: all dimensions to be checked on site by contractors prior to commencement of works.
