Neither is responsibility accepted if the drawing or any part of it is reproduced or transmitted by electronic or other means without the prior written consent of CADS. While every effort has been made to identify and specify all items of work on this drawing, it is not intended to be a complete specification before any final decisions are made. Damage information has been visually inspected and measured from the surface, therefore should be treated as approximate only.

Please note: all dimensions to be checked on site by contractors prior to commencement of work.
